The Municipal Council has therefore resolved at its meeting held on 5-3-1948 on the motion of Mr K N NarasimhaSastry, a Municipal councillor to dispose of the present set and to purchase a new 9 volve Radio set instead

3 It is provided in the receipts side of the Budget of the Municipality for the current year that R 500/- would be realised by the disposal of the radio set, on the expenditure side, it is reported that a provision of Rs 350/- is made for repairs etc to the radio

4 The President in his report states that the Council proposes to purchase a new 9 volve set, out of the sale proceeds of the present Radio and out of the provision of Rs 350/- made for repairs etc to the Radio In case the cost of a new set should exceed the sale proceeds and Rs 350/- provided in the Budget, they have resolved to meet the deficit amount
